

EXCURSION/INCURSION/EXTRA-CURRICULAR ACTIVITIES POLICY

Under the Education and Care Services National Regulations the approved provider must ensure policies and procedures are in place for managing excursions (Reg. 168) and take reasonable steps to ensure policies and procedures are followed.

Excursions/incursions/extra-curricular activities enhance children's learning by providing them the opportunity to participate in curriculum planned activities and experiences to extend on their skills and knowledge in the current interest topic. Our OSHC Service recognises that excursions provide opportunities for children to explore the wider community as a group and extend on the educational program provided.

PURPOSE

To ensure that all excursions and incursions undertaken by the Outside School Hours Care Service are planned and conducted in a safe manner, maintaining children’s health, safety and wellbeing at all times in accordance with Education and Care National Regulations. We believe excursions/incursions provide the children with the opportunity to expand and enhance their skills and knowledge gaining insight into their local and the wider community.

We are committed to complying with all relevant regulations to support the planning, authorisation, supervision and risk management of all excursions and incursions. This includes ensuring the safe use of digital technologies and online environments during excursions and incursions, in line with our policies to protect children’s privacy, safety and wellbeing.

SCOPE

This policy applies to children, families, educators, staff, management, approved provider, nominated supervisor, and visitors of the OSHC Service.

IMPLEMENTATION

Excursions and incursions will be conducted with the children’s safety and wellbeing in mind at all times. We may regularly schedule incursions and visitors to our OSHC Service however, if we feel an excursion will benefit the children and offer a valuable experience, we will adhere to the National Regulations and Service policies and procedures to plan and manage an experience that is enjoyable for children. This policy relates to excursions that may be a ‘regular outing’ or a one-off excursion for a particular purpose and incursions, where visiting performers, groups or community services may visit our OSHC Service.

DEFINITIONS (Effective 1 October 2020)

Excursion: means an outing organised by an education and care service or family day care educator but does not include an outing organised by an education and care service provided on a school site if-

- (a) a child or children leave the education and care service premises in the company of an educator and
- (b) the child or children do not leave the school site.

Extra-Curricular Activities: means an activity organised separately from the OSHC Service that children may attend during OSHC operating hours. Examples include music lessons, dance class, choir lessons.

Regular outing: in relation to an education and care service, means a walk, drive or trip to and from a destination

- (a) that the service visits regularly as part of its educational program; and
- (b) where the circumstances relevant to the risk assessment are *substantially* the same on each.

Incursion: means an activity organised by our Service, whereby an outside body is employed or engaged to visit the service to run an educational program and to promote culture and diversity. This could include a visit from the Rural Fire Service, an Aboriginal Cultural awareness group, science or reptile show or a musical or drama performance. Some incursions may be offered free of charge whilst others may incur a small participation cost.

CONSIDERATIONS FOR EXCURSIONS AND INCURSIONS

The purpose of the excursion should be clearly identified by staff providing information on how the excursion or incursion supports the educational program and contributes to the outcomes for children.

Excursions/incursions should be planned in advance and consideration given to the:

- time away from the OSHC service
- availability of toilet and washing facilities
- access to safe drinking water
- adequate health and hygiene practices
- possible risk to children (identified in risk assessment)
- accessibility for all children
- transportation
- cost
- extreme weather arrangements
- teaching children safety procedures and responsibilities whilst on an excursion
- communication with parents and families
- Risk Assessment documentation provided by the excursion venue or created by the OSHC Leadership team
- safety and wellbeing of children whilst at the OSHC service whilst participating in an incursion (identified in risk assessment)
- communication between educators participating in the excursion and the Service
- adequate shade and sun protection
- transitions between areas of the venue
- water hazards.

EXCURSION/INCURSION RISK ASSESSMENT

The approved provider or nominated supervisor must conduct a risk assessment which reflects Reg. 101 before an authorisation is scheduled under Reg. 102 to determine the safety and appropriateness of the excursion/incursion. If the excursion involves transporting children, the risk assessment must adhere to all components of regulations 101, 102, 102B, 102C

The risk assessment must:

- identify and assess possible risks that the excursion/incursion may pose to the health, safety and wellbeing of any child being taken on the excursion or participating in the incursion
- specify how the identified risks will be managed and minimised

- ensure Working with Children Checks are conducted for all adults visiting the Service on incursions
- ensure the visiting group/performance is covered by insurance
- consider the proposed route and destination for the excursion and
- identify any water hazards
- reflect on any risks associated with water-based activities
- consider the transport to and from the proposed destination for the excursion
- consider the duration of the transportation
- the process for entering and exiting the education and care service premises and the pick-up location or destination (as required)
- procedures for embarking and disembarking the means of transport, including how each child is to be accounted for on embarking and disembarking
- consider the ratio of adults to children involved in the excursion
- consider the risks posed by the excursion/incursion, the number of educators or other responsible adults required to provide supervision, and whether any adults with specialised skills are required to ensure children's safety (e.g.: lifesaving skills)
- consider the planned activities
- determine the duration of the excursion
- consider items that should be taken on the excursion (mobile phone, emergency contacts, first aid kit, medical plans, etc.).
- consider strategies to ensure supervision is consistent at all times during the excursion-transitions, toileting, departure from the service and conclusion of the excursion

If the excursion is a *regular excursion*, or '*regular outing*' a risk assessment authorisation is only required to be carried out once in a 12-month period, however, must be regularly reviewed. If circumstances around the excursion change, a new risk assessment is required.

THE APPROVED PROVIDER/NOMINATED SUPERVISOR/MANAGEMENT WILL ENSURE:

- obligations under the *Education and Care Services National Law and National Regulations* are met
- educators, staff, students, visitors and volunteers have knowledge of and adhere to this policy and procedure
- all new employees, students and volunteers are provided with the location of this policy online as part of their induction process
- an *Excursion/Incursion Risk Assessment* is developed prior to any excursion or incursion

- a responsible person is appointed to oversee the organisation of the excursion/incursion
- the responsible person is aware of their role and responsibilities, including preparing for the excursion and completing all required documentation
- risk assessments and authorisation forms are completed by the responsible person prior to the excursion, and that these documents are reviewed before the excursion takes place
- staff are provided with ongoing training and information sharing to ensure they fulfil their roles effectively
- all educators, student and volunteers participating in the excursion undertake regular head counts throughout the excursion and when embarking and disembarking transportation
- attendance checks are completed regularly, including prior to leaving the Service, embarking and disembarking from transport, upon arrival at the venue, transitioning between spaces whilst at the venue, leaving the venue, returning to the Service
- the responsible person takes the Service mobile phone on the excursion, ensuring the mobile phone is charged and in working order
- child to educator ratios are considered in high-risk situations, such as water hazards or busy roads/highways
- child safe standards are adhered to at all times
- families are notified about the excursion using a Vacation Care Booking *Form* and written authorisation must be provide by a parent or other person named in the child’s enrolment record
- families are notified about any incursion occurring at the Service. Authorisation is generally not required; however, a Vacation Care Booking *Form* is provided for the parent/carer to complete to consent for their child to participate
- families have a right to view the risk assessment prior to the excursion/incursion upon request in which the Service must comply with ensuring all information is available
- all documentation and records relating to excursions are kept safe and secure for a period of 3 years after the date of the excursion
- the number of children attending the excursion does not exceed the Service’s licensed capacity
- volunteers, students and other adults participating in the excursion are aware of their roles and responsibilities, including ensuring they are not left alone with children
- a review of practices is conducted following the excursion, including an assessment of areas for improvement.

PARENT/GUARDIAN AUTHORISATION

The approved provider/nominated supervisor must ensure:

- that a child is not taken outside the OSHC Service premises on an excursion unless written authorisation has been provided
- the authorisation must be given by a parent or other authorised person named in the child's enrolment record as having authority to authorise transportation of a child
- the *Vacation Care Booking Form* must state:
 - the child's name
 - the reason the child is to be taken outside the premises/transported
 - the reason the child is to be transported (if transportation is included in the excursion)
 - the date the child is to be taken on the excursion and transported (unless the authorisation is for a regular outing)
 - a description of the proposed pick-up location destination for the excursion
 - the method of transport to be used for the excursion
 - the proposed activities to be undertaken by the child during the excursion
 - the period the child will be away from the premises
 - the period of time during which the child is to be transported
 - the anticipated number of children likely to be attending the excursion
 - the anticipated educator to child ratio attending the excursion to the anticipated number of children attending the excursion
 - the anticipated number of staff members and any other adults who will accompany and supervise the children on the excursion
 - any requirements for seatbelts or safety restraints under a law of each jurisdiction in which the children are being transported
 - that a risk assessment has been prepared and is available at the Service
 - that written policies and procedures for transporting children are available at the Service
- authorisations must be kept securely with the Vacation Care booking records
- authorisation records for excursion/incursions must be kept for a period of 3 years after the excursion, as per reg. 183.

STAFFING ARRANGEMENTS

The approved provider/nominated supervisor will ensure that:

- educator to child ratios is no less than the prescribed ratios as per National Regulations
- additional educators/staff are engaged to provide care and support to children with additional needs
- adequate supervision is provided for children and the educator to child ratio for school age care is always maintained as per National Regulations

- consideration for ratios include:
 - location of excursion
 - type of excursion
 - risk identified for excursion
 - the number, ages and abilities of children
 - individual needs of each child
 - how children are grouped whilst participating in the excursion
- consideration for adequate supervision includes:
 - the number, age and ability of children
 - the number and physical positioning of educators
 - each child's current activity
 - risks related to the mode of transport (for example: walking)
 - visibility and accessibility
 - the experience and skill of each educator
- educators are aware of their responsibility to provide supervision to other responsible adults or volunteers assisting on the excursion
- educators are aware the procedures to follow in the event of an emergency
- at least one educator or the nominated supervisor attending the excursion holds current ACECQA approved first aid qualification, CPR qualification, approved emergency asthma management and approved anaphylaxis management training
- a risk assessment is completed as part of excursion preparation
- educators continue to follow National Regulations and Service policies and procedures whilst participating in the excursion away from the Service.

ITEMS TO BE TAKEN ON AN EXCURSION

The approved provider/nominated supervisor must ensure that the following items are taken on all excursions, as per the risk assessment:

- appropriate number of suitably equipped first aid kits
- fully charged and operating mobile phone
- emergency contact information details for all children participating on the excursion
- medication for children requiring medical and relevant medical management plans
- items required for excursion circumstances- such as sunscreen, hats, other equipment
- child attendance record

TRANSPORTATION FOR EXCURSION

Excursions involving transportation must adhere to the *Safe Transportation Policy* including ensuring a risk assessment has been completed prior to children being transported by the service and authorisation for the service to transport children as part of the excursion. It is a requirement of the National Regulation that the means of transport is stated on the risk assessment record and parent authorisation record. Information must be included in the risk assessment about the process for embarking and disembarking the means of transport, including how each child is to be accounted for.

The *means of transport* may mean:

- Walking

Educators must ensure children and adults use the safest footpaths and safe crossings where possible, such as pedestrian crossings and traffic lights. Educators will ensure all children and adults obey road rules. Educators will ensure children follow the 'stop, look, listen and think' process when walking near roads. Educators will remain vigilant that no child runs ahead or lags behind the group

- Bus

The nominated supervisor must ensure that the seating capacity as displayed on the compliance registration is not exceeded. All children must sit on seats, preferably close to an adult. Any requirements for seat belts or safety restraints under law must be followed depending on the vehicle used. If the bus has seat belts, they must be worn at all times.

CHECKING FOR CHILDREN'S SAFETY

During the excursion educators will ensure:

- children's attendance records are taken on excursions
- all children are accounted for when embarking/disembarking the car/vehicle or bus
- children's names are marked off as they line up to walk to the vehicle and are counted in that line and then again as they embark and disembark the vehicle This most often occurs as two separate events due to the size of our service and requiring 2 vehicles. Each bus leader confirms their numbers again on the walkie talkies to each other. Separate lists and medications lists as well as medication bags and first aid kits are also taken on excursions
- a thorough check is made of the vehicle to ensure no child is left in the vehicle
- the vehicle is parked to avoid other vehicles, driveways or car parks
- the vehicle is parked as close as possible to the OSHC premises or visiting venue
- children only disembark the vehicle when it is safe to do so

- head counts are conducted whilst on the excursion
- bathrooms and toilets are checked for any potential hazard before children enter, and children are escorted to the bathrooms and supervised
- transitions between venue areas are carefully considered, educators observe these transitions and verbalise with a walkie talkie
- medication is administered to children as per *Administration of Medication Record*
- children remain in the care and supervision of educators from the Service during the excursion.

CHILD BECOMES ILL WHILST ON EXCURSION- EDUCATORS WILL:

- assess the child's illness or injury and provide first aid, including contacting an ambulance if required
- keep the child calm and comfortable
- if a child has an individual medical management plan for their symptoms displayed, follow the directions and administer medication if applicable and notify parents/guardians
- use the supplies in the excursions first aid kit to assist in applying first aid to child
- seek medical assistance, including ambulance transport, medication if required (as per child's excursion authorisation form)
- contact the child's parents/guardian as soon as possible, no later than 24 hours after the incident
- contact the nominated supervisor at the Service for further direction if required
- ensure ratios are maintained for supervision
- complete an *Incident, Injury, Trauma and Illness Record*
- notify the regulatory authority of any serious incident of a child while being educated and cared for at the Service within 24 hours

LOST CHILD DURING AN EXCURSION/ EXTRA-CURRICULAR ACTIVITY

In the event of a child being unaccounted for during an excursion or following an extra-curricular activity, educators will immediately:

- inform another educator and provide supervision for groups
- conduct a head count
- ask children or other educators if they have seen the missing child
- check with the responsible person if they are aware of the missing child's location
- search the premises
- check organised meeting points (use mobile phone to contact other educators)
- alert the venue management and request that an announcement is made

- if the child is still unaccounted for after checking as above, the nominated supervisor or responsible person will contact the Police on 000 and report the incident
 - the nominated supervisor will contact parents/guardian
 - educators will reassure other children and provide supervision
-
- the approved provider must make a notification to the regulatory authority within 24 hours of a serious incident

EMERGENCY MANAGEMENT DURING AN EXCURSION

During the planning of the excursion, the excursion coordinator will conduct a risk assessment to identify any potential emergencies that may occur. The excursion coordinator will check whether the venue has appropriate emergency procedures in place and incorporate this information into the excursion risk assessment. In the event of an emergency occurring while educators and children are participating in the excursion, staff will follow the emergency evacuation procedure or lockdown procedure as required.

The excursion coordinator will contact the nominated supervisor or the responsible person immediately and follow instructions provided by emergency services. Families will be informed as soon as practicable, but no later than 24 hours after the emergency event. Families may be required to collect children from the excursion venue; educators will contact parents/guardians or emergency contacts if required. The approved provider will notify the regulatory authority of any serious incident involving a child while being educated and cared for at the Service within 24 hours. The approved provider will complete a review following the emergency incident, including an assessment of areas of improvement.
