## Performance Summary

### NAPLAN Proficiency

In 2023, the Australian Curriculum, Assessment and Reporting Authority (ACARA) - a Commonwealth Independent statutory authority - announced changes to NAPLAN performance reporting. This new way of reporting by ACARA that NAPLAN results from 2023 will not be comparable to previous years. The new approach replaces the previous numerical NAPLAN bands and the national minimum standard.

## Attendance Comment

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.
