REMINDERS

Please confirm your enrollment details through MyGov, to avoid delays in your subsidy payments.

Please be reminded that, per our Sunsafe Policy, children must be wearing hats whenever outdoors. Kindly ensure that your child has a wide brimmed hat that is clearly labelled.

The last day of school is a 2:10 PM Early Dismissal. If you do not require care for your child/ren, you must provide 48 hours notice prior to the session commencing.

Welcome to term 4, to what has been an extraordinary year! It is hard to believe we have almost FINALLY come to the end of 2020. It has been a very productive start to term 4 and we have enjoyed being able to resume a sense of normality. This term we have welcomed a number of new Educators and sadly prepare to farewell several of our longstanding team members as they prepare to embark on their next journey as teachers. We sincerely wish them all the very best.

A few snaps from our recent Pupil Free Day on November 6th, the children had fun exploring the many games on offer!

Spike's Electronic Pay-Stream System

We have experienced delays rolling out this process, however, we are introducing a new method of payment for our OSHC families. Through Spike, we will be accessing payments automatically through a direct debit or credit card process.

Shortly, families will be sent an email detailing this process and the benefits it has for our service and your family. Within this email, a debit or credit card authority will be attached. This section will need to be completed by the account holder and returned to OSHC as soon as possible. If there are any queries or concerns about our new payment method, please contact the Leadership Team who can further assist.

WHAT'S BEEN HAPPENING AT OSHC?

Our program activities are guided by the 'My Time Our Place' Framework for School Aged Children and the 'National Quality' Framework.

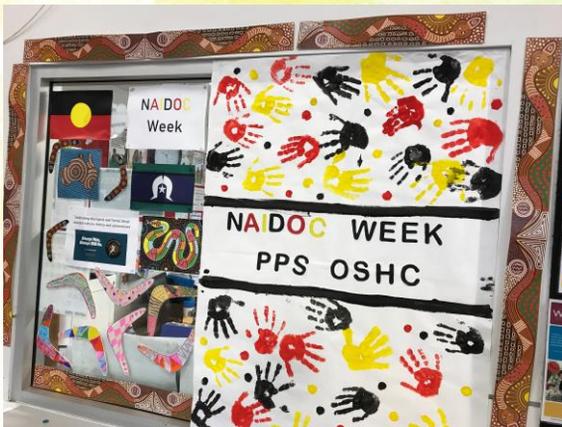

Through our program, we endeavor to reach certain outcomes which include:

- ❖ Children having a strong sense of identity
- ❖ Children are connected with and contribute to their world
- ❖ Children have a strong sense of wellbeing
- ❖ Children are confident and involved learners
- ❖ Children are effective communicators

❖ NAIDOC Week 2020 ❖ 'Indigenous Art and Awareness'

During After School Care this week we have been exploring art meaning, our own creativity and developing an understanding of indigenous culture.

We've looked at traditional tools and their use. We have watched and discussed Dream Time stories and their messages, such as Tiddalick the Frog

Outcome 1.4: Children learn to interact in relation to others with care, empathy and respect.

Outcome 5.2: Children engage with a range of texts and gain meaning from these texts.

Feedback from Parents and Carers

We would really appreciate your feedback to help us grow as a service. Please write any comments, suggestions or feedback and return to our OSHC Suggestion Box located at the sign in table.
